

# Green Mountain Builders Begins Twelfth Custom Home in Naples Park

September 20, 2010

Green Mountain Builders, a Southwest Florida custom home building and remodeling company has started a new custom home in Naples Park, Naples, Florida. It is their fifteenth start in five years in this perfectly located neighborhood west of US 41 (Tamiami Trail North). This gorgeous home is the largest one-story home to be built on a standard homesite in Naples Park.

This magnificently designed Napoli 4 model is a four bedroom, plus study/den, three bath pool home, offering 2,208 square feet of living space and 2.888 total square feet under roof.

“The Napoli has been refined to reflect the feedback we have received from our clients. The result is the most beautiful Napoli yet. The changes we have made over the five years of building in Naples Park meet the demands of the market as materials are perfected and new upgrades become available,” states owner Tony Persichilli.

A dramatic foyer welcomes visitors leading to the spacious great room, kitchen and dining room open concept plan. The foyer is flanked on one side by a private study. The lanai and pool is accessed by a 14’ bank of sliding glass pocketing doors.

The gourmet kitchen is fully equipped with stainless steel appliances, custom white cabinetry and a large center island with comfortable seating, including a waterfall quartz countertop. The kitchen boasts a French door refrigerator, glass slide-in range, stainless vent hood, built in microwave and decorative wainscoting. The kitchen, dining room and expansive great room create the very popular open concept, perfect for family enjoyment, entertaining and keeping watch over the kids.

The master suite is the perfect retreat. The master includes 8ft. sliders to the outdoor living area and includes a tray ceiling. An expansive walk-in closet separates the bedroom from the elegant master bath, with dual vanities, oversized shower, linen closet and water closet.

The outdoor living area is perfect for family enjoyment, barbecues and entertaining. A custom-designed pool and spa, with brick paver deck, equipped outdoor kitchen, fenced in side and rear yard round out the exciting features of this home. In addition, this Napoli model includes tile roof, impact resistant glass windows and sliding glass doors

Other interior features include 11’4” ceilings with tray ceilings in the master and dining room, quartz counters in all bathrooms and a granite top in the laundry room. Plus upgraded trim package, including 8’ interior doors, 24” x 24” porcelain tile, designer vinyl plank flooring in all bedrooms and energy saving features are also featured. In addition, the Napoli 4 includes brick paver driveway and walkway, an oversized two-car garage, upgraded landscaping package, sod and irrigation.

Constructed with care, all Green Mountain Builders' projects, whether its new construction or a remodel are built with the utmost attention to every detail behind the walls and in every space within the walls. What homeowners don't see is as important as what they see every day. Every home built by Green Mountain Builders offers a superb value, along with features and finishes typically found in more expensive homes.

"We found that Naples Park, with its close proximity to the beach, wonderful restaurants and excellent shopping centers is the perfect setting for our custom homes. The savvy buyer who knows the Naples market understands the value and luxury that comes with a Green Mountain Builders home. Naples Park and Green Mountain are a perfect fit." adds Pesichilli.

Naples Park is a wonderful location, west of US 41 (Tamiami Trail) in North Naples, close to beaches, Delnor-Wiggins Pass State Park, The Mercato, shopping, superb school district, medical facilities and all that Naples has to offer. This lovely home is Green Mountain Builders' twelfth home built in Naples Park, establishing themselves as one of community's top builders.

"I am a realtor, and I live in Naples Park. Tony builds great homes and he takes allot of pride in his work. I sold one of his homes a few years ago and my client sold it three years later and made almost \$100,000! I was just speaking with someone the other day that owns a home that Tony built, and he was raving how much he loved the home, and that he is having Tony build him a bigger one in a different location in Naples Park," states Naples realtor, Jimmy Armstrong.

"Tony Persichilli and his crew at Green Mountain Builders are amazing! I bought a home from Tony back in 2017 in Naples Park. I Recently decided to build another custom home in Naples Park. It didn't take me long to decide on the builder. With their knowledge, patience, determination, along with being honest, it was an easy decision. Hiring Green Mountain was one of the best decisions I ever made," says Joseph G.

Green Mountain Builders takes great pride in the work they do and understands that the foundation of every success comes from helping their clients realize their vision.
